FOR IMMEDIATE RELEASE

Sedgwick County to Open "Westside Substation"

(Sedgwick County, Kansas) – On Monday, July 22, Sedgwick County will be opening the "Westside Substation" in West Wichita. This "Substation" located at 940 N. Tyler will provide numerous services to citizens. Sedgwick County Commissioners will conduct a "ribbon cutting" at 1 p.m., along with other County Officials.

"We are creating yet another 'one-stop shopping' area for County services at this Substation. This will benefit all the residents of not only West Wichita, but those in the small towns close by," said Sedgwick County Chairman Ben Sciortino.

Services at the new "Westside Substation" include:

- **Personal Property Issues** such as:
 - File personal property renditions
 - Handle delinquent personal property issues

- more -

- **County Clerk Functions** such as:

Hunting licenses

Fishing licenses

Boat licenses

Park permits

- **Voter Registration**

- **Real Property Issues:**

Hearings will be held at this location during specific times during the year by appointment.

Citizens can come in and view property characteristics and values of properties in Sedgwick County

“I pledged to make the County more accessible and this is another step in fulfilling that promise,” said Sciortino. “This is another example of how we are working to make local government services more accessible to the public.”
